Additional procedures are given for candidate publicity and the mailing, receipt and counting of ballots. Candidates are responsible for familiarizing themselves with these procedures. Any deviation could result in a nomination being considered invalid. Candidates are urged to submit nominations and election material well in advance of published deadlines so that irregularities may be corrected before the statutory deadlines. Nominees' names are made available as received; all other election material is considered confidential until published by the association.

5. A secrecy envelope, or other appropriate safeguard, will be employed to guarantee that verification of entitlement can be made without possibility of identification of the ballot itself.
6. Election ballots will show only candidates' names, which will be listed in alphabetical sequence.
7. All ballots will be mailed "letter-mail," and returned directly to the Official Agent.
8. Verification procedures may be commenced upon receipt of ballot returns. 9. Candidates may be present to witness the removal of secrecy envelopes from ballot return envelopes and the counting of ballots for the position that they are contesting, if they so desire, or they may be represented by an agent authorized by them in writing. Candidates will be given at least one week's notice of the date, time and location at which secrecy envelopes will be removed from ballot return envelopes and ballots for their contested position will be counted.
10. Counts will be reported only when they are finalized. Reporting of final counts to the association will be done by the returning officers to the Registrar, who will advise the candidates and Council at the earliest opportunity.

13. Nothing in the foregoing will prevent additions and/or modifications to procedures for a particular election if approved by Council or the candidates agree to such change(s).

Election Publicity

1. Names of all nominated candidates to date, including all candidates nominated by the nominating committees plus any received from members at large, will be forwarded to members of Council, chapter chairs and committee chairs, and published on PEO's website, by October 14, 2005. Additional nominations will be published to PEO's website as received.
2. Announcement of all nominations to date, including all candidates nominated by the nominating committees plus any received from members at large, will be made in the November/December 2005 issue of *Engineering Dimensions*.
3. The source of each candidate's nomination (i.e. nominated by the central Nominating Committee, by a Regional Nominating Committee, or by members in accordance with the Regulation) will not be published in the heading.
4. Biographies accompanying the ballots, to be published in the January/February 2006 issue of *Engineering Dimensions* and to PEO's website in early January, will be permitted to the total of 150 words for each candidate. The 150-word limit is exclusive of candidate's name and employer when placed at beginning of biography (forms part of heading). Biographies may contain material as set out in Schedule A.

Candidates wishing to inform voters of their platform may also have a statement of up to 275 words published with their biographies. The content of election statements remains at the candidate's discretion. A photograph will also be published in *Engineering Dimensions* and on the website, and may be published in the material accompanying the ballots (space permitting).

Biographies, statements and photographs must be received by the Registrar or a nominee at the association's headquarters by December 14, 2005 at 4:00 p.m.

The Registrar or a nominee is responsible for ensuring that biographies and statements comply with these procedures, and will correct spelling and punctuation. Where it is deemed the material does not satisfy these procedures, the Registrar or a nominee will, within 48 hours from receipt of the material by the association, notify the candidate, who is expected to be available during this period by telephone, fax or email. The candidate will have a further 48 hours to advise the association of the amendment. The candidate is responsible for meeting this deadline.

If biographies exceed 150 words and/or statements exceed 275 words, and failing agreement with the candidate, association staff will satisfy the requirement(s) by removing the appropriate number of words from the end of the text. Where material is deemed inappropriate for another reason, the Registrar will cause the offending material to be removed if agreement cannot be reached within the time available.

5. Candidates' material for publication should be forwarded to the Registrar or a nominee at the association's offices as soon as possible following the nominations but, in any case, not later than December 14, 2005 at 4:00 p.m., which is the close of nominations. Candidate material will be considered confidential until published on PEO's website in early January 2006 and will be restricted to staff members required to arrange for publication.
6. All material should be typed, and submitted on a diskette or CD accompanied by hard copy, or emailed with hard copy to follow. Photographs must be at least 5" x 7" in size ("snapshots" are not suitable) if submitted in hard copy form. If submitted in digital form, they

must be JPEG-format files. If word counts in candidates' material exceed the number of words specified and time does not permit revision by the author, the counts will be adjusted by the removal of the appropriate number of words from the end of the material.

7. Candidates may post additional material on their own websites, to which a link will be provided from PEO's website from early January 2006 until February 28, 2006. The content of candidate websites to which PEO links must be in keeping with the dignity of the profession. URLs of candidate websites to which a link is desired must be provided to the webmaster by January 6, 2006 by emailing webmaster@peo.on.ca.

As an alternative, candidates may utilize space on PEO's website, provided they email to PEO's webmaster an MS Word or text file of no more than 1000 words, and no more than three non-animated graphics in JPEG or GIF format. This material should be received by the webmaster by January 6, 2006. Candidates may submit updates to this material once during the posting period from early January until February 28, 2006.

8. A candidate for PEO election may request that PEO do a hard copy or electronic mailing of printed candidate publicity material on his or her behalf. The costs of such a mailing and publicity material will be the candidate's responsibility. All electronic mailings will be conducted according to the protocol in Schedule B to these procedures.
9. Candidates are reminded that election publicity material is readily available to the public and should be in keeping with the dignity of the profession.
10. The central Nominating Committee is authorized to interpret the election publicity guidelines and procedures, and to rule on questions and concerns of the candidates on matters around the election process.
