

June 2004

June 3

Meeting: Employer Appreciation Networking Event in Ottawa (Ontario Society of Professional Engineers).

Contact: 416-223-9961, ext. 230; email: pd@ospe.on.ca; website: www.ospe.on.ca/pd/index.cfm

June 6-9

Conference: 25th Annual Canadian Nuclear Society Conference at Marriott Eaton Centre, Toronto, ON.

Contact: Denise Rouben, 416-977-7620; email: cns-snc@on.aibn.com

June 6-10

Conference: International Chemical Recovery Conference (TAPPI, PAPTAC) with the theme "operating efficiently, intelligently and sustainably in a challenging environment." Charleston, SC.

Contact: Kristi Ledbetter, 770-209-7319, email: kledbetter@tappi.org; website: www.tappi.org.

June 10

Training Course: Hazard Analysis and the Pre-Start Health and Safety Review (Ontario Society of Professional Engineers) at Novotel Toronto North York Hotel, Toronto, ON

Contact: 416-223-9961 ext 230; email: pd@ospe.on.ca; website: www.ospe.on.ca/pd/index.cfm

June 7-11

Conference: International Symposium on Corrosion in the Pulp and Paper Industry. Charleston, SC.

Contact: kledbetter@tappi.org; website: www.tappi.org

June 7-11

Symposium: Great Lakes Photonics Symposium (Air Force Research Laboratory, International Society for Optical Engineering), Cleveland, OH

Contact: website: www.usasymposium.com/glps

June 9-11

Conference: Pacific Northwest Marine Opportunities—Buyers and Suppliers hosted by the Canadian Institute of Marine Engineering

(CIMarE), Vancouver Island Branch at Laurel Point Inn in Victoria, BC.

Contact: Ralph McClure, 250-655-3348; email: rmclure@hydroxyl.com; website: http://www.maritech2004.org

June 10-13

Conference: 10th CCWEST Conference (Canadian Coalition of Women in Engineering, Science and Technology.)

Brock University, St. Catharines, ON.

Contact: 905-688-5550, ext. 3395; email Diana Eaton at deaton@brocku.ca; website: www.brocku.ca/fms/ccwest2004/

June 13-17

Conference: American Nuclear Society Summer Meeting

Pittsburgh, PA. Organized by: ANS

Contact: American Nuclear Society, website: www.ans.org; email: meetings@ans.org

June 13-17

Conference: ICAPP 04 2004 Int'l Congress on Advances in Nuclear Power Plants Pittsburgh, PA. Organized by: ANS, SNE, SFEN, AESJ.

Contact: Atam Rao, 408-925-1885 Fax: 408-925-6462; website: www.ans.org/goto/icapp04; email: atambir.rao@gene.ge.com

June 14-16

Conference: 2nd Annual Fuel Cell Science Conference, American Society of Mechanical Engineers, Rochester, NY.

Contact: http://www.asme.org/pi/pr/2004/030304a.html

June 14-17

Conference: Control Systems (PAPTAC/STFI/SPCI/PI), Quebec City, QC. The conference will focus on all areas of process control for the pulp and paper industry.

Contact: Sylvain Gendron, email: sgendron@paprican.ca or Andrea Borrelli, 514-392-6961, email: aborrelli@paptac.ca

June 15-18

Trade Fair: CommunicAsia & BroadcastAsia 2004 (UNILINK), Singapore

Contact: Derek Complin at UNILINK,

613-549-0404; email: dc@unilinkfairs.com; website: www.unilinkfairs.com/cp/communicasia04

June 21-25

Conference: Astronomical Telescopes and Instrumentation: the Industrial Revolution in Astronomy, SPIE. Scottish Exhibition and Convention Centre, Glasgow, Scotland United Kingdom.

Contact: 360-676-3290; email: spe@spie.org; website: www.spie.org/events/as

June 23-25

Conference: The Natural City with keynote speaker Robert F. Kennedy, Jr. at the University of Toronto.

Contact: 416-978-3475 or 416-978-7077; email: natural.city@utoronto.ca; www.utoronto.ca/divenv/NaturalCity

June 22-24

Conference: SUPERCOMM 2004 (TIA/USTA) Chicago, IL

Contact: 1-888-873-7277; email: supercommpr@tmp.com

July

July 5-9

Conference: FIV 2004: 8th Int'l Conference on Flow-Induced Vibration, Paris, France. (FIV 2004 Conference Committee).

Contact: Atam Rao, Tel: 408-925-1885 Fax: 408-925-6462; email: atambir.rao@gene.ge.com; website: www.ans.org/goto/icapp04

July 28-31

Conference: "LESCOPE'04"—2004 Conference on Power Engineering in Halifax, NS

Contact: Dr. Ferial El Hawari, 902-443-2400; email: elhawary@dal.ca

Call for Papers

February 7-10 2005

Conference: Pulp and Paper Technical Association of Canada 91st Annual Meeting and EXFOR 2005.

Contact: website: www.paptac.ca Abstracts due: July 23, 2004.
