

November 2007

November 26-27

Forum: Canadian Fertilizer Products Forum (Canadian Fertilizer Institute), Ottawa, ON
Contact: Kelly Green, email: kelly.green@issuesinsights.com; website: www.cfi.ca

December 2007

December 2-7

Conference: International Conference on Engineering Education and Research, Melbourne, Australia
Contact: website: iceer07.vu.edu.au

December 2-7

Conference: Thermal Performance of the Exterior Envelopes of Whole Buildings X International Conference, Clearwater Beach, FL
Contact: website: www.ornl.gov/sci/buildings

December 3

Presentation: Construction of Leachate Control Wells in Municipal Solid Waste with a Directional Drill, Toronto, ON
Contact: Mark Knight, PhD, tel: 416-327-5519 or 416-327-6986; email: josie.madonia@ontario.ca

December 3-12

Conference: International Joint Conferences on Computer, Information and Systems Sciences and Engineering (conference to be held entirely online)
Contact: website: www.cisse2007online.org

December 4-6

Workshop: International Workshop on Thorium Utilization for Sustainable Development of Nuclear Energy (IAEA), Beijing, China
Contact: website: pe.ep.tsinghua.edu.cn/thoriumworkshop

December 5

Course: Lockout: Control of Hazardous Energy (CSA), Mississauga, ON
Contact: tel: 800-463-6727; email: seminars@csa.ca; website: learningcentre.csa.ca

December 6-7

Course: Design, Installation and Certification of Electrical Equipment in Hazardous Locations (CSA), Sudbury, ON
Contact: tel: 800-463-6727; email: seminars@csa.ca; website: learningcentre.csa.ca

December 7-8

Workshop: Sanitary Sewer and Storm Water Drainage Systems Design Workshop (GIC Canada), Calgary, AB
Contact: website: www.gic-edu.com

December 10-11

Course: Development and Emergency Practice for Built Environment Professionals (RedR), Ottawa, ON
Contact: Larry Gemmel, tel: 819-671-0207; email: info@redr.ca; website: www.redr.ca/training/Built_Environment_Professionals.htm

December 11-13

Course: Systems Engineering: Managing Development Projects (EPIC), Mississauga, ON
Contact: tel: 888-374-2338, ext. 222; website: epic-edu.com

December 12-14

Course: Livelihoods Based Planning for Disaster Risk Reduction (RedR), Ottawa, ON
Contact: www.redr.ca/training/Livelihoods_Based_Planning.htm

December 14-16

Conference: International Conference on Web Engineering and Applications, Bhubaneswar, Orissa, India
Contact: website: www.icwa2007.org

December 17-18

Course: Canadian Electrical Code 2006 Essentials (CSA), Hamilton, ON
Contact: tel: 800-463-6727; email: seminars@csa.ca; website: learningcentre.csa.ca

December 17-18

Course: Design of Equipment Foundations, (EPIC), Mississauga, ON
Contact: tel: 888-374-2338, ext. 222; website: epic-edu.com

January 2008

January 7-8

Course: Improving Public Works Construction Inspection Skills (University of Wisconsin-Madison), Madison, WI
Contact: tel: 800-462-0876; website: epd.engr.wisc.edu

January 13-14

Conference: International Conference on Emerging Technologies and Applications in Engineering, Technology and Sciences, Rajkot, Gujarat, India
Contact: website: www.aessangli.in

January 17

Meeting: 21st Meeting of the NRC-IRC Working Group on Repointing Mortars (open to all), Ottawa, ON
Contact: website: irc-cnrc.gc.ca/bes/hmpe/masonry/mortar/mortar_e.html

January 22-23

Conference: Occupational Health and Safety Conference and Trade Show (OHSC), Winnipeg, MB
Contact: website: safetyservicesmanitoba.ca/ohs

January 22-24

Course: Designing Optimized Traffic Signals and Systems Using Visual TEAPAC, PASSER, TRANSYT and CORSYM (University of Wisconsin-Madison), Las Vegas, NV
Contact: tel: 800-462-0876; website: epd.engr.wisc.edu

January 24

Seminar: Fire Safety Research for Better Building Design (NRC-IRC), Ottawa, ON
Contact: tel: 613-993-0435; website: bsi.gc.ca (see website for other dates and locations)

February 2008

February 5

Presentation: An Inconvenient Truth—Al Gore's Presentation from an Engineer's Perspective, Toronto, ON
Contact: email: sfavell@alumni.uwaterloo.ca; website: www.kingsway.peo.on.ca
