[PEO ELECTIONS]

2. Candidates' names will be listed in alphabetical sequence by position on the list of candidates mailed to members and on PEO's website. However, the order of their names will be randomized when voters sign in to the voting site to vote.
3. A person may be nominated for only one position.
4. Nomination papers are to be submitted only by email or fax, for tracking purposes. Forms will not be accepted in any other format (e.g. personal delivery, courier, regular mail).
5. Candidates will be advised when a member of the Central Election and Search Committee has declared a conflict of interest should an issue arise that requires the consideration of the committee.
6. An independent agency has been appointed by council to receive, control, process and report on all cast ballots. This official elections agent will be identified to the members with the voting material.
7. If the official elections agent is notified that an elector has not received a complete election information package, the official elections agent shall verify the identity of the elector and may either provide a complete duplicate election information package to the elector, which is to be marked "duplicate," by regular mail or email, or provide the voter's unique control number to the voter and offer assistance via telephone. In order to receive such information via email, the elector must provide prior written consent to the use of his or her email address for this purpose.
8. Council has appointed a Central Election and Search Committee to:
 - encourage members to seek nomination for election to the council as president-elect, vice president or a councillor-at-large;
 - assist the chief elections officer as may be required by him or her;
 - receive and respond to complaints regarding the procedures for nominating, electing and voting for members to the council;

11. The chief elections officer will be available to answer questions and complaints regarding the procedures for nominating, electing and voting for members to the council. Any such complaints or matters that the chief elections officer cannot resolve will be forwarded by the chief elections officer to the Central Election and Search Committee for final resolution. Staff is explicitly prohibited from handling and resolving complaints and questions, other than for administrative purposes (e.g. forwarding a received complaint or question to the chief elections officer).
12. On or before the close of nominations on December 6, 2013, the president will appoint three members or councillors who are not running in the election as returning officers to:
 - approve the final count of ballots;
 - make any investigation and inquiry as they consider necessary or desirable for the purpose of ensuring the integrity of the counting of the votes; and
 - report the results of the vote to the registrar not later than March 22, 2014.
13. Returning officers shall receive a per diem of \$250 plus reasonable expenses to exercise the duties outlined above.
14. If a candidate withdraws his or her nomination for election to PEO council prior to the preparation of the voting site, the chief elections officer shall not place the candidate's name on the voting site of the official elections agent or on the list of candidates sent to members and shall communicate to members that the candidate has withdrawn from the election. If the candidate withdraws from the election after the electronic voting site has been prepared, the chief elections officer shall instruct the official elections agent to adjust the voting site to reflect the candidate's withdrawal.
15. Voting will be by electronic means only (Internet and telephone).
16. All voting instructions, a list of candidates and their election publicity material will be sent by lettermail to members at the address listed on PEO's register. All voters will be provided with detailed voting instructions on how to vote electronically.
17. Verification of eligibility, validity or entitlement of all votes received will be required by the official elections agent. 18. The official elections agent shall keep a running total of the electronic ballot count and shall make the results available to the candidates through a secure website not before the close of the voting period and not later than 9:00 p.m. on March 1, 2014. All candidates will be provided with a unique control number giving them access to the secure website of the official elections agent.
19. Voters need not vote in each category to make the vote valid.
20. There shall be an automatic recount of the ballots for a given candidate category for election to council or bylaw confirmation where the vote total on any candidate category for election to council between the candidate receiving the highest number of

votes cast and the candidate receiving the next highest number of votes cast is 25 votes or fewer for that candidate category or where the votes cast between confirming the bylaw and rejecting the bylaw is 25 votes or fewer.

21. Reporting of the final vote counts, including ballots cast for candidates who may have withdrawn their candidacy after the opening of voting, to PEO will be done by the returning officers to the registrar, who will advise the candidates and council in writing at the earliest opportunity.
22. Certification of all data will be done by the official elections agent.
23. The official elections agent shall not disclose individual voter preference.
24. Upon the direction of the council following receipt of the election results, the official elections agent will be instructed to remove the electronic voting sites from its records.
25. Election envelopes that are returned to PEO as undeliverable are to remain unopened and stored in a locked cabinet in the Document Management Centre (DMC) without contacting the member until such time as the election results are finalized and no longer in dispute.
26. Elections staff shall respond to any requests for new packages as usual (i.e. if the member advises that he/she has moved and has not received a package, the member is to be directed to the appropriate section on the PEO website where the member may update his/her information with DMC).
27. DMC staff shall advise elections staff when the member information has been updated; only then shall the elections staff request the official elections agent to issue a replacement package with the same control number.
28. Elections staff is not to have access to, or control of, returned envelopes.
29. After the election results are finalized and no longer in dispute, the chief elections officer shall authorize the DMC to unlock the cabinet containing the unopened returned ballot envelopes so that it may contact members in an effort to obtain current information.
30. After the DMC has determined that it has contacted as many members whose envelopes were returned as possible to obtain current information or determine that no further action can be taken to obtain this information, it shall notify the elections staff accordingly and destroy the returned elections envelopes.
31. Nothing in the foregoing will prevent additions and/or modifications to procedures for a particular election if approved by council.

- mitted to the chief elections officer at chiefelectionsofficer@peo.on.ca and in accordance with Schedule A attached. Candidates shall not use the PEO logo in their election material.
8. Candidates' material for publication in *Engineering Dimensions* and on the website, including URLs to candidates' own websites, must be forwarded to the chief elections officer at the association's offices or via email at chiefelectionsofficer@peo.on.ca so that it is received (both electronic copy and hard copy) not later than December 12, 2013 at 4:00 p.m. and in accordance with Schedule A attached. Candidate material will be considered confidential, and will be restricted to staff members required to arrange for publication, until published on PEO's website. Material will be published for all candidates on PEO's website at the same time.
 9. Candidate publicity material will be published as a separate insert/section in the January/February 2014 issue of *Engineering Dimensions* and to PEO's website in January 2014 and in the mailing to eligible voters with voting instructions.
 10. Candidates may utilize space on PEO's website, provided they email their material to the chief elections officer in the format set out in Schedule A. This material must be received by the chief elections officer no later than December 12, 2013.
 11. Candidates may submit updates to their material on PEO's website once during the posting period. Any amendments to a candidate's name/designations are to be considered part of the one-time update permitted to their posting during the posting period. Candidates may include links to PEO publications but *not* a URL link to a third party in their material that is to be posted on PEO's website. Links to PEO publications are not considered to be to a third party. For clarity, the only URL link that may be included in a candidate's material on PEO's website is the URL to the candidate's own website.
 12. Candidates may post more comprehensive material on their own websites, to which a link will be provided from PEO's website during the posting period. Candidates may include a URL to third parties *only in their own website material*—not in material that will appear in *Engineering Dimensions*, nor in material that is posted on PEO's election site (which includes the 1000-word space they are permitted), nor in eblast material.
 13. PEO will provide three group email distributions to members of candidate publicity material beyond publication in *Engineering Dimensions*. Material must be submitted to the chief elections officer at chiefelectionsofficer@peo.on.ca in accordance with Schedule A.
 14. Candidates are responsible for responding to replies or questions generated by their email message.
 15. The chief elections officer is responsible for ensuring that all candidate material (whether for *Engineering Dimensions*, PEO's website or eblasts) complies with these procedures. Where it is deemed the material does not satisfy these procedures, the chief elections officer will, within three full business days from receipt of the material by the association, notify the candidate or an appointed alternate, who is expected to be available during this period by telephone, fax or email. The candidate or appointed alternate will have a further three full business days to advise the chief elections officer of the amendment. The candidate is ultimately responsible for meeting this deadline.
 16. PEO will provide candidates with the opportunity to participate in All Candidates Meetings, which will be held at PEO offices and which will be video recorded for posting on PEO's website. On the day of the first All Candidates Meeting, an eblast will be sent to members announcing that all such video recordings will be posted to the PEO website within two business days of each meeting.
 17. Caution is to be exercised in determining the content of issues of membership publications published during the voting period, including chapter newsletters. Editors are to ensure that no election candidate is given additional publicity or opportunities to express viewpoints in issues of membership publications distributed during the voting period from January 24, 2014 until the close of voting on February 28, 2014 beyond his/her candidate material published in the January/February issue of *Engineering Dimensions*, and on the PEO website. This includes photos (with or without captions), references to, or quotes or commentary by, candidates in articles, letters to the editor, and opinion pieces. PEO's communications vehicles should be, and should be seen to be, unpartisan. The above does not preclude a PEO publication from including photos of candidates taken during normal PEO activities—e.g. licensing ceremonies, school activities, GLP events, etc., provided there is no expression of viewpoints. For greater clarity, no election-specific or election-related articles, including letters to the editor and president's message, are to be included in *Engineering Dimensions* during the voting period.
 18. Chapters may not endorse candidates, nor expressly *not* endorse candidates, in print, on their websites or through their list servers, or at their membership meetings or activities during the voting period. Where material does not comply with these procedures, the chief elections officer will cause the offending material to be removed if agreement cannot be reached with the chapter within the time available.
 19. Candidates may attend chapter annual general meetings and present their material and network during the informal portion of the meeting, provided they have obtained the prior consent of the chapter executive. If a chapter executive provides or withholds consent, it must provide or withhold consent to all candidates equally and fairly.
 20. While not prohibited, use of candidates' mass mailings (either by post or electronic means) for campaign purposes, other than the email blasts that are sent by PEO on behalf of the candidates, will not be condoned by PEO.

21. The Central Election and Search Committee is authorized to interpret the candidate guidelines and procedures, and to rule on questions and concerns of the candidates on matters around the election process.

22. These election and publicity procedures form part of the voting procedures.

SCHEDULE A: 2014 ELECTION PUBLICITY PROCEDURES

SPECIFICATIONS FOR CANDIDATE MATERIALS

This allows them to know how candidates intend their material to look. If there are no difficulties with the material, they will work simply with the PDF file. The Word file is required in case something isn't correct with the submission (just a bit off on the measurement, for example), as it will enable publications staff to fix the problem. Hard copies of both files are required because files can be, and sometimes are, corrupted in translation from one format to another (for example, when they are "dropped" into the InDesign page layout template).</p>
Photographs	<p>Photographs must be at least 5" x 7" in size if submitted in hard copy form so that they are suitable for scanning ("snapshots" or passport photographs are not suitable).</p> <p>If submitted in digital form, they must be JPEG-format files of at least 300 KB but no more than 2MB.</p> <p>Candidates can submit a digital photo at the specifications noted, or hard copy as noted, and preferably both. In case the digital file is corrupted or not saved at a sufficiently high resolution, publications staff can rescan the photo (hard copy) to ensure it prints correctly, as indicated on the PDF.</p>
PEO website	<p>Candidates may also utilize space on PEO's website by submitting a Word or Word-compatible file of no more than 1000 words, and no more than three non-animated graphics in JPEG or GIF format. Graphics may not contain embedded material.</p> <p>Candidates may post additional material on their own websites, to which a link will be provided from PEO's website. URLs for candidates' websites must be active by December 12, 2013.</p> <p>Candidates may include links to PEO publications but <i>not</i> a URL link to a third party in their material that is to be posted on PEO's website. For clarity, the only URL link that may be included in a candidate's material on PEO's website is the URL to the candidate's own website.</p>

Eblast material	<p>Candidates are permitted a maximum of 300 words for email messages. Materials are to be provided in text format only; graphics are not permitted. For clarity, a "graphic" is an image that is either drawn or captured by a camera. If HTML format is to be used for email messages, special design and graphic coordination are the candidate's responsibility.</p>
Deadline eblasts to members	<p>Candidates' material for eblasts to members must be forwarded to the chief elections officer at (chiefelectionsofficer@peo.on.ca):</p> <p>By January 9—for eblast on January 16 By January 23—for eblast on January 30 By February 6—for eblast on February 13</p>
Help	<p>Candidates should contact the chief elections officer (chiefelectionsofficer@peo.on.ca) if they have questions about requirements for publicity materials.</p>
