Consulting Engineers Designation Committee (CEDC) – Southern Subcommittee

Consulting Engineers Designation Committee (CEDC) recommends to Council applicants for designation as a Consulting Engineer and permission for companies to use the title Consulting Engineers or variations thereof. CEDC is appointed by Council and reports to Council through the CEO/Registrar and/or Council Liaison. The CEDC has also 5 regional subcommittees and is currently looking for a candidate to join an existing subcommittee, normally comprised of 2 to 4 members. The Southern Subcommittee has a vacancy for a member who lives in the Niagara region.

Key Duties and Responsibilities:

- Make recommendations to Council respecting all matters relating to applications for designation and re-designation as a consulting engineer, and applications from Certificate of Authorization Holders for permission to use the title "Consulting Engineer" as specified in Regulation 941 (particularly s. 56, 57 and 58).
- May make recommendations to the Council in respect of all matters relating to applications for designation as a consulting engineer including, without limitation,
 - (a) the standards to be applied;
 - (b) the qualifications of applicants;
 - (c) procedures for and the form and content of examinations; and
 - (d) the exemption of applicants from examinations;
- Peer review of applicants by subcommittee with recommendations subject to CEDC review and approval.
- Reference report on applicant's performance by referees, including a designated Consulting Engineer.
- When required, a special examination of the candidate by comprehensive interview and candidate follow-up response.

The initial criteria for consideration include:

- Must be licensed Professional Engineer in good standing with the Association.
- Should have Consulting Engineer Designation and 15 or more years of experience in the consulting business.
- **Should live in Niagara region.**

Time commitment:

The Subcommittee meets face-to-face approximately 4 times a year. The meetings are scheduled for about 4 hours (a.m. or p.m.). Members are expected to be familiar with documents distributed prior to the meeting which should take approximately 1-2 hours. The CEDC has a number of Subcommittees and, when necessary, members of the Subcommittees may be asked to join the CEDC.

How to apply:

If you have the right skill set, and are interested in joining the Southern Subcommittee, please submit the *PEO Application Form* and your current *resume (maximum 2-3 pages)* to:
