About the ERC

ERC members participate in two- or three-person technical interview panels to assess if an applicant's experience warrants relief from examinations assigned by the Academic Requirements Committee and/or the experience satisfies both the qualitative and quantitative requirements for licensure. The committee also provides recommendations to the Legislation Committee, the Licensing Committee and other PEO committees as requested. ERC members may be requested to provide evidence in Registration Hearings.

Required skills and qualifications

Candidates should have at least 10 years of experience as an engineer and be available to conduct interviews at least four times per year during regular business hours, as well as allocate the time necessary to review material prior to the interviews. In addition, the ERC conducts six business meetings per year for which members are expected to attend.

For more information, please visit the ERC webpage at: https://www.peo.on.ca/about-peo/committees-and-task-forces/experience-requirements-committee.

How to apply

If you have the right skillset and are interested in becoming a member of the Experience Requirements Committee, please submit the PEO Volunteer Application Form and your current CV/resume to volunteering@peo.on.ca.

Application deadline:

December 23, 2019
