

**Vivender Adunuri, P.Eng., FEC**  
**Candidate for PEO Western Regional Councillor 2020**

My Fellow Engineers:

I am seeking your support to serve as your PEO Western Regional Councillor.

- Engagement of chapters in regulatory outreach programs.
- Expediate licensure process by simplifying processes.

I would like to share a message from ***Glenn R. Sutton P. Eng., Former Mayor of Kincardine***

**Personal Endorsement of Vivender Adunuri for PEO Western Region Councillor**

I have known Vivender Adunuri since 2014.

He has had extensive Chapter experience in several different roles as both Vice-Chair and Chair for the PEO Georgian Bay Chapter.

Vivender has successfully performed the role of the PEO Chapter Chair of the Georgian Bay Chapter for 3 years. He has overseen the development of many effective programs at the Chapter level. These programs consist of our annual Chapter Licence Presentation Ceremony, our annual Mathletics Challenge and ongoing meetings with local MPP's etc. These initiatives have supported greater understanding of the role that Engineers play in our society. Also, his leadership efforts lead to the Georgian Bay Chapter receiving the "Chapter GLP Recognition Award for Group B Chapters" at the PEO Queens Park MPP Reception on October 24, 2018.

I have observed Vivender working hard for his Georgian Bay Chapter and I am therefore pleased to endorse him as a candidate for Western Regional Councillor and request your support for him.

**Glenn R. Sutton P. Eng., PMP**
