

**Monica Jain** is running as a candidate for the position of "**East Central Regional Councilor**". She is a licensed Professional Engineer and has been active member of East Central Region – Lake Ontario chapter and served as director in the same chapter. She plans to focus on **three things** to bring positive changes for Engineers:

- 1) Peak Program requirements
- 2) Better regulation of engineering profession
- 3) Promote public awareness
- 4)

Monica completed her Bachelor of **Engineering** degree (electrical engineering) from **McMaster University**, **Master of Engineering** from **University of Ontario Institute of Technology** and is currently pursuing a **Master of Business Administration** from **Wilfrid Laurier University**. She has also worked for **Licensing International Engineers into the Profession** (LIEP) program at University of Toronto, **North American Young Generation Nuclear** and **Women in Nuclear**, where she helped several young engineers to grow and learn in field of engineering.

Monica is employed with **Ontario Power Generation** for 11 years as Design Team Leader, where her core work involves **design engineering** for nuclear power plants. She has passion for engineering work and is interested in integrating engineering into management.

In addition to engineering work, Monica has organized several charity events for **Big Brothers Big Sisters** and **Mental Health Commission Canada**.

Monica Jain is a valuable member of Professional Engineers of Ontario and has intentions to add value to your membership and society. Vote for Monica and be the change. LinkedIn: <https://www.linkedin.com/in/monica-jain-571056172/>
