

# THANK YOU,

PEO VOLUNTEERS

NATIONAL  
VOLUNTEER  
WEEK  
April 19–25,  
2020

Professional Engineers  
Ontario

Volunteer Service  
RECOGNITION 

## THANK YOU PEO VOLUNTEERS

Throughout its history, PEO has valued the participation and contributions of its volunteers to help us regulate the profession in the public interest and promote the role of PEO across the province. Last year, more than 1000 professional engineers, engineering interns and others volunteered their time to work on behalf of the regulator.

Provincially, PEO councillors offer their leadership to guide us in fulfilling our mandate to protect the public interest through effective self-regulation. Other provincial volunteers contribute through service on our committees and task forces.

At the local level, chapter volunteers promote the value of engineering and the role of PEO to local communities, working with students to educate them on engineering principles and STEM careers; and partnering with organizations to create outreach opportunities, such as National Engineering Month events.

PEO gratefully recognizes and thanks all those who have served the profession in a wide variety of activities and events throughout the year.

To our many volunteers who give back selflessly to PEO and their profession, we salute you.

Nancy Hill, P.Eng., LLB, FEC, FCAE

A handwritten signature in black ink that reads "Nancy A. Hill P. Eng." The signature is written in a cursive, flowing style.

President, Professional Engineers Ontario

# THANK YOU TO PEO VOLUNTEERS
