2.2 Duties of a Councillor⁵

Councillors are required to exercise their power with competence (or skill) and diligence in the best interests of PEO. They owe what is called a "fiduciary duty" to PEO. The duty is a "fiduciary" duty because the obligation to act in the best interests of PEO, at its core, is an obligation of loyalty, honesty and good faith. Councillors' fiduciary duties can be divided into the following branches:

- the duty of care;
- the duty of diligence;
- the duty of wisdom;
- the duty of loyalty; and
- the additional duties of being a Council member of PEO.

2.2.1 Duty of Care

The duty of care has a number of practical implications. Councillors must:

- understand and carry out their obligations under PEO's bylaws, including the requirement to call an annual general meeting and to provide information to the members at that meeting.

2.2.2 Duty of Diligence

The duty of diligence has a number of practical implications. Councillors must:

- exercise independent judgment when voting in all corporate decisions, and not simply vote with the majority for no well-informed reason;
- require senior management to provide them with any ongoing operational and program information;
- appoint and replace the Registrar, monitor and supervise the Registrar and regularly assess his or her performance and provide advice and counsel in the execution of his or her duties;
- pass by-laws relating to the administrative and domestic affairs of PEO not inconsistent with the *Act* and the regulations [bylaws are not effective until confirmed by the members of PEO. S. 8 (2)] of the *Act*];

- be aware of all strategic policies affecting the organization and ensure that certain key policies are in place (e.g. investment policy).

2.2.3 Duty of Wisdom

The duty of wisdom requires Councillors to:

- be thoroughly informed about any decisions Council has to make and ensure that they are provided in a timely manner before the Council meeting with all relevant documents, including agreements, financial reports and information, legal opinions and other information necessary to make knowledgeable and informed decisions at the Council meeting;
- carefully review and participate in formulating and approving the annual budget and strategic plan with the assistance of senior staff;
- be aware of the laws and regulations affecting PEO and obtain necessary legal and accounting advice.

2.2.4 Duty of Loyalty

The duty of loyalty and duty to avoid conflicts of interest have a number of practical implications. Councillors must:

- demonstrate full allegiance to PEO's mission and further its cause;
- approve a conflict of interest policy that includes guidelines on the circumstances in which Councillors will be considered to be in conflict and the appropriate remedies for failing to disclose a conflict;
- not disclose any information acquired in connection with their position as Councillors that might be harmful to the interests of PEO;
- not disclose or use any information relating to the affairs of PEO for personal profit or advantage;
- place the interests of PEO above personal self-interest in all dealings with PEO;
- carry out all of their duties in the best interests of PEO;
- actively avoid all conflicts of interest and immediately disclose any actual or potential conflict, real or perceived, to Council;
- ensure that minutes of any meeting at which a decision involving a potential conflict of interest is discussed accurately reflect the views of all conflicted and non-conflicted Councillors;
- obtain a legal opinion where there is uncertainty as to whether a conflict of interest exists; and

- resign where it is apparent that the Councillor cannot act in the interests of PEO without acting against the interests of the other.

2.2.5 Additional Duties Under By-Law No. 1

Council has additional duties and responsibilities and these are set out in sections 28 and 29 of By-Law No. 1 as follows:

28. - *disclose any interest they may have, other than as members of Council, in any matter coming before Council and shall not be counted in the quorum in respect of such matter.*

29. All elected members of the Council and all appointed members of the Council shall familiarize themselves with the Act, the regulations, the by-laws and code of ethics and with such other records and documents as may be necessary as background knowledge for the purpose of performance of the duties of their office.

2.2.6 Councillors Code of Conduct⁶

Council expects of itself and its members ethical, business-like and lawful conduct. This includes fiduciary responsibility, proper use of authority and appropriate decorum when acting as Council members or as external representatives of the association. Council expects its members to treat one another and staff members with respect, cooperation and a willingness to deal openly on all matters.

⁶ Excerpt from Council Manual approved by Council
2021 Election Publicity Procedures

PEO is committed that its operations and business will be conducted in an ethical and legal manner. Each participant (volunteer) is expected to be familiar with, and to adhere to, this code as a condition of their involvement in PEO business. Each participant shall conduct PEO business with honesty, integrity and fairness and in accordance with the applicable laws. The Code of Conduct is intended to provide the terms and/or spirit upon which acceptable/unacceptable conduct is determined and addressed.

At its September 2006 meeting, Council determined that PEO volunteers should meet the same obligations and standards regarding conduct when engaged in PEO activities as they are when engaged in business activities as professional engineers.

- assist the chief elections officer as may be required by him or her;
- receive and respond to complaints regarding the procedures for nominating, electing and voting for members to the Council;
- conduct an annual review of the elections process and report to the June 2020 Council meeting.

12. Council has appointed a Regional Election and Search Committee for each region to:

- encourage members residing in each region to seek nomination for election to the Council as a regional councillor.

13. Candidates for PEO Council may submit expense claims. The travel allowance to enable candidates to travel to chapter events during the period from the close of nominations to the close of voting will be based on the distance between chapters and the number of chapters in each region. Such travel expenses are reimbursed only in accordance with PEO's expense policy.

14. Council has appointed an independent chief elections officer to oversee the election process and to ensure that the nomination, election and voting are conducted in accordance with the procedures approved by Council.

15. The chief elections officer will be available to answer questions and complaints regarding the procedures for nominating, electing and voting for members to the Council. Any such complaints or matters that the chief elections officer cannot resolve will be forwarded by the chief elections officer to the Central Election and Search Committee for final resolution. Staff is explicitly prohibited from handling and resolving complaints and questions, other than for administrative purposes (e.g. forwarding a received complaint or question to the chief elections officer).

16. On or before the close of nominations on November 27, 2020, the president will appoint three members or councillors who are not running in the election as returning officers to:

- approve the final count of ballots;
- make any investigation and inquiry as they consider necessary or desirable for the purpose of ensuring the integrity of the counting of the vote and report the results of the vote to the registrar not later than March 12, 2021.

17. Returning officers shall receive a per diem of \$250 plus reasonable expenses to exercise the duties outlined above.

18. Nomination papers are to be submitted only by email for tracking purposes. Forms will not be accepted by any other format (e.g. personal delivery, courier, fax or regular mail). Candidates should allow sufficient time for their emails to go through the system

to ensure that the completed papers are, in fact, received by the chief elections officer by 4 p.m. on November 27, 2020. In the event of a dispute as to when the forms were sent vs received, a candidate can provide the chief elections officer with a copy of his or her email to PEO that would indicate the time the nomination forms were sent from his/her computer. A nomination, once withdrawn, may not be re-instated.

19. If a candidate withdraws his or her nomination for election to PEO Council prior to the preparation of the voting site, the chief elections officer shall not place the candidate's name on the voting site of the official elections agent or on the list of candidates sent to members and shall communicate to members that the candidate has withdrawn from the election. If the candidate withdraws from the election after the electronic voting site has been prepared, the chief elections officer will instruct the official elections agent to adjust the voting site to reflect the candidate's withdrawal.
20. In the event a candidate changes his or her mind on a position and decides to run for a different position after submitting nomination forms, a newly completed nomination petition form, in addition to a new acceptance form, will be required.
21. In the event a chapter holds an All Candidates Meeting, the chapter must invite to the meeting all candidates for whom voters in that region are eligible to vote.
22. Voting will be by electronic means only (internet and telephone). Voting by electronic means will be open at the same time the electronic election packages are sent out.
23. All voting instructions, a list of candidates and their election publicity material will be sent to members. All voters will be provided with detailed voting instructions on how to vote electronically. Control numbers or other access control systems will be sent to members by email after the election package has been sent out. The official elections agent will send out an eblast with the control numbers (PINs) every Monday during the election period. Election material sent to members electronically or by mail will contain information related to the All Candidates Meetings.
24. Verification of eligibility, validity or entitlement of all votes received will be required by the official elections agent. Verification by the official elections agent will be by unique control number to be provided to voters with detailed instructions on how to vote by internet and by telephone.
25. The official elections agent shall keep a running total of the electronic ballot count and shall report the unofficial results to the chief elections officer, who will provide the candidates with the unofficial results as soon as practically possible.
26. Voters need not vote in each category to make the vote valid.

27. There shall be an automatic recount of the ballots for a given candidate category for election to Council or bylaw confirmation where the vote total on any candidate category for election to Council between the candidate receiving the highest number of votes cast and the candidate receiving the next highest number of votes cast is 25 votes or less for that candidate category or where the votes cast between confirming the bylaw and rejecting the bylaw is 25 votes or less.
28. Reporting of the final vote counts, including ballots cast for candidates that may have withdrawn their candidacy after the opening of voting to PEO, will be done by the returning officers to the registrar, who will advise the candidates and Council in writing at the earliest opportunity.
29. Certification of all data will be done by the official elections agent.
30. The official elections agent shall not disclose individual voter preferences.
31. Upon the direction of the Council following receipt of the election results, the official elections agent will be instructed to remove the electronic voting sites from its records.
32. Election envelopes that are returned to PEO as undeliverable are to remain unopened and stored in a locked cabinet in the Document Management Centre (DMC) without contacting the member until such time as the election results are finalized and no longer in dispute.
33. Elections staff shall respond to any requests for new packages as usual (i.e. if the member advises that he/she has moved and has not received a package, the member is to be directed to the appropriate section on the PEO website where the member may update his/her information with DMC).
34. DMC staff shall advise elections staff when the member information has been updated; only then shall the elections staff request the official elections agent to issue a replacement package with the same control number.
35. Elections staff are not to have access to, or control of, returned envelopes.
36. After the election results are finalized and no longer in dispute, the chief elections officer shall authorize the DMC to unlock the cabinet containing the unopened returned ballot envelopes so that it may contact members in an effort to obtain current information.

2. Names of all nominated candidates will be forwarded to members of Council, chapter chairs and committee chairs and published on PEO's website by November 30, 2020.
3. Should a candidate wish to withdraw from the election, their name will remain on the website and the word "withdrawn" will appear beside their name on the PEO website.

4. Candidates will have complete control over the content of all their campaign material, including material for publication in *Engineering Dimensions*, on their additional material on PEO's website and on their own websites.
5. Candidate material is readily available to the public and should be in keeping with the dignity of the profession at all times. Material will be published with a disclaimer. The chief elections officer may seek a legal opinion prior to publishing/posting of any material if the chief elections officer believes campaign material could be deemed libelous. The chief elections officer has the authority to reject the campaign material if so advised by legal counsel.
6. Candidate material may contain personal endorsements provided there is a clear disclaimer indicating that the endorsements are personal and do not reflect or represent the endorsement of PEO Council, a PEO chapter or committee or any organization with which an individual providing an endorsement is affiliated.
7. Candidate material for publication in *Engineering Dimensions* and any additional material they wish to publish on the website, including URLs to candidates' own websites, must be forwarded to the chief elections officer via email at elections@peo.on.ca no later than 4 p.m. on December 11, 2020, and **must be in accordance with these procedures and Schedule A attached.**
8. Candidates have the option of using one of two templates to present their election material in *Engineering Dimensions*. Both templates are included in Schedule A of these procedures. The size of both templates is the equivalent of one-half page, including border, in *Engineering Dimensions*.
 - a. Option 1: Candidates using the blank template will have discretion over the presentation of their material, including but not limited to font style, size and effects. Candidates using the blank template will be permitted to include their portrait within the template.
 - b. Option 2: Candidates using the fillable template must provide responses to the questions provided in the allotted space. The presentation of the fillable template is fixed and no modifications will be permitted. Candidates using the fillable template must submit their portrait separately for insertion into the designated location by PEO staff.
9. Candidates shall not use the PEO logo in their election material.
10. Candidates may include links to PEO publications but *not* a URL link to a third party in their material on PEO's website. Links to PEO publications are not considered to be to a third party. For clarity, besides links to PEO publications, the only URL link that may be

included in a candidate's material on PEO's website is a URL link to the candidate's own website.

11. If campaign material is submitted by a candidate without identifying information, PEO staff are authorized to contact the candidate and ask if he or she wishes to resubmit material. If campaign material is received by the chief elections officer and returned to the candidate for amendment to comply with the Election Publicity Procedures, and the amended material is not returned within the prescribed time, staff will publish the material with a notation explaining any necessary amendments by staff.
12. The chief elections officer is responsible for ensuring that all candidate material (whether for *Engineering Dimensions*, PEO's website or eblasts) complies with these procedures. Where it is deemed the material does not satisfy these procedures, the chief elections officer will, within three full business days from receipt of the material by the chief elections officer, notify the candidate (or an appointed alternate), who is expected to be available during this period by telephone or email. The candidate (or appointed alternate) will have a further three full business days to advise the chief elections officer of the amendment. Candidates are responsible for meeting this deadline. Should a candidate fail to re-submit material within the three-business-day period, the candidate's material will be published with a notation explaining any necessary amendments by staff.
13. Candidate publicity material will be published as a separate insert in the January/February 2021 issue of *Engineering Dimensions* and to PEO's website in January 2021 and included in any hardcopy mailing to eligible voters with voting instructions. Links to candidate material on PEO's website will be included in any electronic mailing to eligible voters. The Chief Elections Officer can direct staff to activate links in eblast messages, that have not been linked by the candidate, such as links to the candidate's own website or email address.
14. Candidate material will be considered confidential and will be restricted to staff members required to arrange for publication until published on PEO's website. All candidates' material will be published to PEO's website at the same time.
15. Candidates may submit updates to their material on PEO's website once during the posting period. Any amendments to a candidate's name/designations are to be considered part of the one-time update permitted to their material during the posting period.
16. Candidates may post more comprehensive material on their own websites, which will be linked from PEO's website during the posting period. Candidates may include active links to their social media accounts (Facebook, Twitter, LinkedIn, etc.) in material appearing in *Engineering Dimensions*, published on PEO's election site (i.e. the 1000-word

additional information candidates may submit), or included in an eblast of candidate material.

17. PEO will provide three group email distributions to members of candidate publicity material beyond the material published in *Engineering Dimensions*. Material to be included in an eblast must be submitted to the chief elections officer at elections@peo.on.ca in accordance with Schedule A. In the event of a dispute as to when the material was sent vs received, the material will be accepted only if a candidate can provide the chief elections officer with a copy of his or her email to PEO sent from from his or her computer indicating a sent time before the deadline.
18. All material for the eblast messages must be submitted in a Word document only and must not be included as part of the message in the transmission email. Where the email message is received in a font size or style that is different from the specifications but otherwise meets all the requirements, the chief elections officer may authorize staff to change only the size and font of the material so it conforms to specifications. Staff are prohibited from amending material in any way except with the written permission of the candidate.
19. Candidates are responsible for responding to replies or questions generated by their email message.
20. The chief elections officer is responsible for ensuring that all candidate material (whether for *Engineering Dimensions*, PEO's website or ebcasts) complies with these procedures. Where it is deemed the material does not satisfy these procedures, the chief elections officer will, within three full business days from receipt of the material by the association, notify the candidate or an appointed alternate, who is expected to be available during this period by telephone or email. The candidate or appointed alternate will have a further three full business days to advise the chief elections officer of the amendment. Candidates are responsible for meeting this deadline. Should a candidate fail to re-submit material within the three-business-day period, the candidate's material will be published with a notation explaining any necessary amendments by staff.
21. PEO will provide candidates the opportunity to participate in All Candidate Meetings, which will be held at PEO offices during the week of January 4, 2021. The All Candidate Meetings will be video recorded for posting on PEO's website. On the day of the first All Candidates Meeting, an eblast will be sent to members announcing that these video recordings will be posted on the PEO website within two business days.
22. Candidate materials from previous elections will remain on PEO's database as part of the record of the election.

23. Caution is to be exercised in determining the content of issues of membership publications published during the voting period, including chapter newsletters. Editors are to ensure that no candidate is given additional publicity or opportunities to express viewpoints in issues of membership publications distributed during the voting period from January 15, 2021, until the close of voting on February 19, 2021, beyond his/her candidate material published in the January/February issue of *Engineering Dimensions*, and on the PEO website. This includes photos (with or without captions), references to, or quotes or commentary by, candidates in articles, letters to the editor and opinion pieces. PEO's communications vehicles should be, and should be seen to be, nonpartisan. The above does not prevent a PEO publication from including photos of candidates taken during normal PEO activities (e.g. licensing ceremonies, school activities, GLP events, etc.) provided there is no expression of viewpoints. For greater clarity, no election-specific or election-related articles, including Letters to the Editor and President's Message, are to be included in *Engineering Dimensions* during the voting period. *Engineering Dimensions* or other PEO publications may contain articles on why voting is important.
24. Chapters may not endorse candidates, or expressly *not* endorse candidates, in print, on their websites or through their list servers, or at their membership meetings or activities during the voting period. Where published material does not comply with these procedures, the chief elections officer will cause the offending material to be removed if agreement cannot be reached with the chapter within the time available.
25. Councillors may use their positions to encourage candidates to stand for PEO office and members to participate in the election process but may not endorse candidates for PEO election.
26. Candidates may attend chapter annual general meetings and network during the informal portion of the meeting. Candidates are permitted to attend chapter functions in their current official capacity but are prohibited from campaigning while operating in their official capacity.
27. The Central Election and Search Committee is authorized to interpret the voting and election publicity guidelines and procedures and to rule on candidates' questions and concerns relating to them.

These Election Publicity Procedures form part of the Voting Procedures.
