

VOTE
Nick Colucci, P. Eng.
for
2021 President-Elect

EXPERIENCED | PROFESSIONAL | ACCOUNTABLE

EXPERIENCED

My volunteer experience with PEO spans over 30 years and includes thousands of hours of painstaking work on chapter executives, PEO committees and several terms on Council.

This experience has shown me how to collaborate on a committee, how to show fiscal responsibility to bring in balanced budgets during every term of Council I was a Councillor and how to uphold the Professional Engineers Act and maintain the public safety as paramount.

Here is a partial list of my volunteer positions both inside and outside of PEO.

Chapter Experience

Director, Peterborough Chapter (2003 – 2005)

Chair, Lake Ontario Chapter (1995 – 2003)

Vice Chair, PEO Lake Ontario Chapter (1995)

Director, PEO Lake Ontario Chapter (1994)

Vice Chair, PEO Lake Ontario Chapter (1991)

Director, PEO Lake Ontario Chapter (1987 – 1991)

Committee Experience

Member, Government Liaison Committee, (2017 – 2019)

Member, Volunteer Leadership Conference Planning Committee, (2014-2016, 2018 – 2019)

Member, Finance Committee (2014-2017)

Member, Discipline Committee (2005-2011)

Member, P.E.O. Building Committee (2008 to 2015)

Member, PEO Advisory Committee on Committees (2002 to 2019)

Council Experience

Eastern Regional Councillor, Professional Engineers Ontario, 2005 - 2009

East Central Regional Councillor, 2014 to 2016

[Board of Director Experience for other professional organizations](#)

Ontario Society of Professional Engineers (OSPE), Founding member

Municipal Engineers Association (MEA), Board Member, (2018 – Present)

Ontario Public Works Association (OPWA), Board Member (2014 – Present)

Durham Region Public Works Association (DRPWA), President (2018-Present)

Durham Region Public Works Association (DRPWA), Board Member (2016-Present)

National Spa and Pool Institute, Toronto Chapter, President (1999 – 2002)

National Spa and Pool Institute, Toronto Chapter, Director (1998 – 1999)

[Board of Director Experience for other community organizations](#)

Bethesda House, Fundraising Committee (2017 – Present)

Canadian National Exhibition, Committee Member, 2008 to 2017

Canadian National Exhibition, Board of Governors, 2008 to 2011

Emily-Omemee Skating Club, President, 2001 to 2005

St. Paul Catholic School Council, Community Coordinator, 2001

PROFESSIONAL

As a practicing Professional Engineer who currently holds a Certificate of Authorization I believe I understand the needs of our membership as well as understand the importance to guarantee the safety of the public.

I have worked in many aspects of professional engineering including, Consulting Engineering, design, project management, construction and municipal government.

I am a business owner who understands fiscal responsibility and budgeting and I will bring this knowledge to the executive of PEO.

ACCOUNTABLE

I strongly believe in the core values of PEO and will use them to advance PEO's mission, engage stakeholders and protect the public interest:

Teamwork, Accountability, Respect, Integrity and Professionalism

Professional Engineers Ontario's Core Values as outlined in the 2018-2020 Strategic Plan <https://peo.on.ca/about-peo/what-peo/strategic-plan> are as follows:

ACCOUNTABILITY—PEO protects the public interest by being accountable to the public and to practitioners. PEO staff and volunteers are responsible for their actions and decisions, deliver what they promise to deliver, and their performance is reviewed on this basis. PEO honours its legislated and financial obligations.

RESPECT—PEO demonstrates respect for its staff, volunteers, applicants, license holders and external stakeholders through fair practices and timely, informative communications.

INTEGRITY—PEO's processes and practices, including consistency of its policies and their application, are aligned with the *Professional Engineers Act* to maintain the integrity of the license. PEO firmly and impartially adheres to its legislated requirements in pursuit of regulatory excellence.

PROFESSIONALISM—PEO operates in a professional manner by demonstrating competence, impartiality and reliability.

TEAMWORK—PEO achieves its goals through effective teamwork and collaborative partnerships among its staff, between its staff and volunteers, and with other bodies involved in the practice of professional engineering.

VOTE NICK COLUCCI FOR PRESIDENT-ELECT

When elected President-Elect I promise to uphold the core values of PEO, Accountability, Respect, Integrity, Professionalism and Teamwork!

I have proven my understanding and application of these core values through my previous experience on PEO Council, PEO Committees and PEO Chapters.

- Ensure PEO is agile and future ready;
- Promote a "member-directed" association;
- Create a multi-level licensing model to capture all those practicing engineering;
- Reduce the size of Council to make it more efficient;
- Re-design PEAK to create a world class mandatory professional development program;
- Rekindle the relationship with OSPE in a co-operative manner;

- Eliminate barriers to licensing;
- Reduce the experience requirement to 2 years;
- Demand financial transparency for PEO ...
Balance the budget!;
- Stop non-regulatory activities and spending;
- Abandon Council's preoccupation on governance and concentrate on REGULATION!;
- Uphold the importance of volunteers as a foundation to self-regulation;

What does PEO need now?

We need bold leadership that will ensure PEO is AGILE and FUTURE-READY by concentrating on our core values and mandates.
