As your Western Region Councillor, I will be committed to promoting PEO's mission to its stakeholders, understanding our license holders' concerns and looking for opportunities for PEO to address those concerns. I believe I can bring a fresh perspective to the PEO and its operations. Why do I want to volunteer my time to the PEO now? My work experiences have shown me the need to regulate our profession and I want to contribute to this worthy endeavor. Please Vote! Questions? Email susan.macfarlane@sympatico.ca
