Mandatory Experience:

- Professional Engineer license holder.
- Good knowledge of PEO and Committee structure.
- Familiarity with PEO's awards and recognition programs.
- Ability to develop relationships with stakeholders to identify recognition requirements.
- Ability to provide and implement recommendations on criteria for recognition and awards.

Preference will be given to candidates in early career stage who have been past award recipients.

**Duties and
Responsibilities:**

- Encourage, and where necessary, assist professional engineers to nominate and celebrate deserving peers for recognition through Professional Engineers Awards Programs (OOH and OPEA) and External Honours.
- Promote the Awards program through representation at Committee and Chapter events.
- Review and make recommendations on award recipients.
- Participate in the ceremonies.
- Review and make recommendations for appropriate categories and recognition through Awards Programs.
- Monitor and review past award recipients and other award programs to identify persons deserving further recognition through upgrades or other awards.

**General
Information:**

The commitment is for a minimum three-year term. The committee meets up to six (6) times during the year and has two (2) award gala events. During the COVID-19 pandemic, these meetings and events take place virtually. Attendance of committee meetings in March and November, as well as Awards Gala events in April and November is mandatory.
