

My name is **Arthur Sinclair**. Find my profile and positions on the PEO's [election website](#). My full platform and bio are at www.arthursinclair.ca.

My [first email](#) was about licencing and committee reform. My [second email](#) covered self-regulation. In this email, I cover directions to [committees](#) and staff to modernise the PEO:

- [Experience Requirement](#): Outline a clear pathway to licensure for those in construction, manufacturing, material & equipment supply, entrepreneurs, and those in emerging fields.
- [Licensing](#): Prepare an Applicant's Bill of Rights.
- [Professional Standards](#): Develop an action plan to modernise all 35 [practice guidelines](#) within the next four years then develop a comprehensive list of guidelines needed for emerging disciplines.
- [Legislation](#): Draft all required edits to the PEO [Act, Regulations and Bylaws](#) to conform with governance directives pass by Council.
- [Finance](#): Prepare financial forecast associated with changing demographics.
- [OSPE-PEO Joint Relations](#): Develop three joint initiatives.
- [Regional Councillors](#): Prepare an action plan to integrate Chapters into the PEO's regulatory mandate.
- [Advisory Committee on Volunteers](#) Revise committee recruitment process, ensuring a broad spectrum of engineering disciplines and demographics within all committees.
- [Academic Requirements](#): Ensure harmonisation with Engineers Canada accreditation board.
- [Complaints](#) & [Discipline](#): Update training to address any bias and ensure procedural fairness.
- [Enforcement](#): Develop a risk registry to focus enforcement priorities.
- [Equity and Diversity](#): Review mandate to address recent civil rights movements.
- [30 by 30 Task Force](#): Prepare recommendations on how to accommodate parents into the self-governance committee structure of the PEO.
- **Registrar/CEO**: Prepare a plan to fully digitise the licencing application process and a strategy to ensure that any completed P.Eng. licence applications are processed within four weeks.
- **Communications**: Develop minimum internal and external stakeholder consultation and engagement standards.

There is a lot of work to do. Let's get started. **Vote Sinclair!**
