

**Position Name:** GLC Member (two positions)

**Position Type:** Committee

**Position Description:** Committee members are appointed for a two-year term and may be reappointed for an additional two terms to a maximum of six years. The committee generally meets monthly either virtually or in-person. In-person meetings, if held, are limited to once/quarter. Meetings last approximately two hours.

**Duration of Position:** Two year term

**P.Eng. Required:** Yes

**Reports To:** Committee Chair, Council

**Mandatory Experience:**

- A licensed member of the Association in good standing
- A member who is active within a provincial political Riding Association (1 vacancy); and/or
- An active member of a chapter who has experience with the PEO Government Liaison Program (GLP) or government relations or public policy
- Knowledge of the Professional Engineers Act, Regulation 941/90 and Regulation 260/08 would be beneficial.
- Knowledge of the issues referred to in the Terms of Reference for the above-mentioned committee.

**Duties and Responsibilities:** For matters related to its mandate, the committee member shall be qualified to:

- Monitor and evaluate regulatory issues requiring liaison with the government and advise Council on strategic initiatives to affect such liaison.
- Coordinate the activities of the Government Liaison Program.
- Coordinate with other government relations initiatives within the engineering profession.
- Consider any other matter related to the Government Liaison Program delegated to the committee by the Council.
- Consult as required with Council, chapters, members, staff, with respect to opportunities to advance support of PEO from government.
- Establish, receive and review reports from PEO committees as it considers appropriate.
- Enhance Government Outreach.
- Develop, monitor and review its work plan annually

**General Information:** The Government Relations Committee (GLC) monitors and evaluates regulatory issues requiring liaison with the government and advises Council on strategic initiatives to effect such liaison. The Committee's Mandate is to provide oversight and guidance for the PEO Government Liaison Program (GLP). The committee also coordinates with other government relations initiatives within the engineering profession. The committee is composed of:

- Member of the Regional Councillors Committee (recommended by Regional Councillors Committee)
- Member of Council
- Two active members of a chapter who have experience with GLP or

government relations or public policy

- A member of the Advisory Committee on Volunteers (recommended by the Advisory Committee on Volunteers)

- P.Eng. active in a Riding Association

- P.Eng. member of the Ontario Society of Professional Engineers' (OSPE) Political Action Network (recommended by OSPE)

- P.Eng. member of Engineers Canada (recommended by Engineers Canada)

- P.Eng. member of the Consulting Engineers of Ontario (recommended by CEO)

- Student representative

- EIT representative

GLC Terms of Reference is available on the PEO website.

**Submission Deadline Date:** March 1, 2021

**Time Commitment:** Monthly meetings: virtual or in-person
