

I am running for Councillor at Large and I am looking for your support to continue the work we have been completing at the Council level. If I am re-elected I will continue to support strong and effective self regulation.

Please visit me on [Linked In](#) for more information and ask me questions. I can also be reached at [cchiddle.erc@gmail.com](mailto:cchiddle.erc@gmail.com)

Council has undergone significant changes over the last few years and for some of it, I have been part of as Eastern Regional Councillor and Vice President – Appointed. Like all members of Council, I have taken my role seriously, and have kept the mandate of PEO and our fiduciary responsibility to members of the Public in mind for each decision I had to vote on.

I have asked questions of Staff, Committee members, fellow Councillors, external consultants/subject matter experts and other volunteers and professional colleagues in order to make an informed decision. And at times I have completed my own research in addition to the research that was provided to Council to review. In doing so, I have made well informed decisions, based on data and not opinion.

As just one voice on Council I can only promise to continue to support effective and meaningful member and stakeholder consultation and to continue to champion for strong self-regulation as a profession.

If you are concerned with what you have seen me post, or what others are saying, I encourage you to reach out to me via email or Linked In. I value open, respectful input from all P.Engs and EITs.
