

Darla Campbell, P.Eng., CSR-P, FEC
Candidate for PEO President-Elect 2022

Visionary leader with proven record of accomplishment

Darla Campbell brings her experience to elevate the engineering profession in Ontario and take action to make PEO a relevant regulator.

This campaign is about leadership, vision and results.

Leadership: PEO needs a leader with a proven record of accomplishments, leading boards, organizations, people and projects.

Vision: What direction is PEO moving in? Is it the right direction to protect the public interest? PEO needs a leader who will champion an **Engagement Initiative** that gathers your ideas, suggestions and opportunities to make PEO a relevant regulator.

Results: Provide clear direction for PEO by developing a robust strategic plan that puts PEO on a path to relevancy, incorporating the input from the **Engagement Initiative**. PEO needs a leader who gets results within the 3 year term of office and sets PEO up for success going forward.

Key Priorities

- Enhancing standards and practice guidelines
- Accelerating and modernizing the licensing process
- Embracing chapters as a model of communities of support
- Advocating where the public interest is at risk
- Operating in a global world: regulate locally, function globally

“I chose engineering because it offered the opportunity to become part of a profession. After 29 years of licensure in PEO, I continue to wear the P.Eng. designation with pride. I’m running in this election to elevate the engineering profession in Ontario for you, for future generations and for the protection of the public and the environment.”

~ Darla Campbell, P.Eng., CSR-P, FEC, Candidate for PEO President-Elect
