Past VP SME and Finance, Indo Canada Chamber of Commerce

Co-founder and past President of PMI Lakeshore

Years of registration in Ontario: 28.00

Candidate statement:

Having been acclaimed as the Councillor for the West Central Region, I am looking forward to working with my Council colleagues.

With over 30 years of experience and proven record in simultaneously managing multiple capital projects and demonstrating specialist skills in contract management, cost engineering, and project controls for nuclear, T & D, petrochemical and mining mega-projects, I am able to understand the role of engineers, need for licensing reform, protecting the public interest, and improving our regulatory requirements. I will be advocating for chapters as they are the backbone of PEO.,

I have advocated for diversity and inclusion and promoting the value of licensure, including initiating the inaugural chapter Women in Engineering Committee. I look forward to serving as the West Central Regional Councillor.
