Message from the Chapter Chair

On behalf of the East Toronto Chapter of Professional Engineers Ontario, it is my great honour to personally present you with your **P.Eng. license**. This milestone is the result of your dedication, perseverance, and commitment to excellence in the profession. You will be upholding the values of integrity, responsibility, and excellence that defines our engineering profession.

We are proud to celebrate this achievement with you and welcome you into the respected community of Professional Engineers. May this license mark the beginning of a rewarding and impactful career in service to society. We wish you continued success in your career as Professional Engineers.

Sara Ayub, P.Eng., PMP
Chapter Chair, East Toronto Chapter
Professional Engineers Ontario

Hon. Todd J. McCarthy,

MPP

Ministry of Environment, Conservation and Parks

Todd is currently the MPP for Durham and serves as the Minister of Environment, Conservation, and Parks (MECP). Previously Ontario's Minister of Public and Business Service Delivery and Procurement, Todd oversaw the delivery of vital programs, services, and products both in-person and online to Ontarians through Service Ontario. In his role, he also oversaw consumer protection laws in the province, and leads Ontario's efforts in the development of public policy around groundbreaking technologies like AI. He also served as a Trustee and Vice Chair of the Durham Catholic District School Board.

Before politics, Todd is a well-respected and established lawyer in Ontario and is a senior partner at Flaherty McCarthy LLP, and also served part-time as a Deputy Judge presiding over Small Claims Court cases at the Durham Region Courthouse, and was President of the Durham Region Law Association. In his spare time, Todd coached and sponsored minor hockey teams, and taught as an Adjunct Professor at both Queen's University Faculty of Law and the Durham College Faculty of Justice and Emergency Services. He is also a founding donor of the Durham Abilities Centre.

Nanda Layos Lwin,

P.Eng., FEC

East Central Region Councillor

Nanda Layos Lwin is a professor in the School of Environmental and Civil Engineering Technology at Seneca Polytechnic in Toronto. In February 2023, he was elected as an East Central Region councillor on PEO Council. Prior to his election to Council, Lwin served 18 years on the executive of PEO's Willowdale/Thornhill Chapter, four of those years as chair. He also sat on PEO's East Central 30 by 30 Committee and was a member of the Government Liaison Committee. He is a member of the Ontario Society of Professional Engineers and the Council of Tall Buildings and Urban Habitat. In recognition of his contributions and service to the engineering profession, Lwin was made a fellow of Engineers Canada in 2015 and inducted into PEO's Order of Honour in 2022. As an educator, Lwin began teaching at Humber College in Toronto in 2003, and then at Seneca the following year. There, he co-founded the student-run Seneca Civil Society and publishes an annual directory of civil engineering firms. In 2021, he established the Nanda Layos Lwin Civil Endowed Award for students in financial need. Lwin holds a bachelor's degree in civil engineering from the University of Toronto and a master's degree in engineering and public policy from McMaster University.
