

PAPPUR N Shankar P.Eng FEC
Acclaimed West Central Regional Councillor

I am grateful to the West Central Chapter for trusting me for the next two years. I will work hard to uphold the governance requirements for our self-regulatory mandate. I am also committed to increasing chapter activities, especially technical events, which are essential for maintaining strong self-regulation.

I will continue to advocate for bringing the EIT program back as soon as possible. Missing the EIT program is like missing an important member of the family. Council has unanimously voted to reinstate it, and it now rests with the Attorney General, as it requires a change to the Act.

Candidate Profile

- Semi-retired Senior Project Manager – Capital & EPC Projects
- International Business Development Advisor
- Past Chair – PEO Mississauga Chapter
- Co-Founder – PMI Lakeshore Chapter
- Past VP Finance & SME – Indo-Canada Chamber of Commerce
- Member – OSPE
- Board Member – CRTO

Key Priorities

- Open Engineers Canada elections to all FEC holders
- Strengthen partnerships with OSPE and empower PEO chapters
- Support and advance the 30x30 initiative
- Promote more technical symposiums across Ontario
- Ensure strong budget monitoring and proactive risk management
- Support success in GLC and GLP activities
