

**Name:** Tom Granat, P.Eng, MBA, PE, SSBBC

**@Facebook** [Tom Granat, P.Eng](#) | **LinkedIn**

**Employer and position:**

Self Employed, Manager Mechanical

**Degree(s), school(s) attended, year(s) of graduation:**

Engineering, B.Sc. (BGU): 2005, MBA (PAC): 2009,

Management in Engineering Strategy and

Leadership Diploma (MIT): 2020, and other certificates.

**Employment history:**

PEO, Delta, Magnum, TTC and Ministry of Energy

**Participation on PEO Council, committee/task forces, chapters:**

I led the PEO Professional Standards Committee for guidelines and standards, including: [Acoustical Engineering Services](#), and [Practice Standard](#):. I volunteered over 3 years as a tutor and mentor with the “Engineer In Residence” program managed by PEO.I have been an advisor and mentor at York University

**Other professional affiliations and community service:**

I hold a PE license in the United States. Within my community, I was a Director for the Newmarket Soccer Club and a member of the Property Standard Committee with the Town of Newmarket. I am also a Robotics Judge with **CANADA FIRST**.

**Years of registration in Ontario:** 7

**Candidate statement:**

I am running to serve on **Council** because I believe that Ontario engineers deserve a strong, practical, and solutions-driven voice at the table. I am committed to representing our needs with professionalism, If elected, I will focus on:

**Improved communications** between Council and PEO, by providing clear directions, and insisting on transparency and equality between CEAB and non-CEAB engineers for PEO, and in all chapters.

**Supporting professional development** by exempting from CPD both retirees and newly licensed engineers.

**Attracting and keeping talent** through fee exemptions for relevant groups like young engineers, retirees and specialists.

**Ensuring that engineering expertise is recognized and preventing a brain drain** in strategic decision-making through collaboration with American regulators, as a Professional Engineer who is licensed in both Canada and the United States.

I would be honored to have your support and the opportunity to serve as your Regional Councilor.
