

The Chatham-Kent Chapter of Professional Engineers of Ontario presents the ...

2026 DESIGN COMPETITION

On March 7th at John McGregor Secondary School
(300 Cecile Ave, Chatham)

- Teams of up to 4 students will compete to design the best prototype to complete the assigned task
- All students will arrive at the stated sign-in times, then they will be given materials as well as a project description
- Junior and senior students will complete their prototypes during the specified times, which will then be tested and judged.
- Prizes for top 3 contenders will be awarded, along with chances to win raffle prizes
- No prior experience or preparation is required!
