

It's Time for an Engineering Renaissance

Thanks to the thousands of P.Eng.s who already voted for me. I appreciate your support.

I visited **16 PEO chapters'** events all over Ontario (e.g. [Mississauga](#), [York](#), [Grand River](#), [Niagara](#), [Oakville](#), [Lake Ontario](#), [Brampton](#), [East Toronto](#), [Scarborough](#)). I had the opportunity to meet with **3,000+ P.Eng.s** in-person. I met with **200+ P.Eng.s** for one-on-one coffee. I met Engineers from [OPG](#), [Toronto-Hydro](#), [Hydro-One](#), [Bruce-Power](#), [City-of-Oshawa](#), [Dillon](#), [Enbridge](#), [City-of-Mississauga](#), [MTO](#), [Metrolinx](#), [TTC](#), [Bombardier](#), [Vale](#), [Toyota](#), [GM](#), [Honda](#), etc.

PLATFORM:

- In an era of growing economic uncertainties and high unemployment rates, coupled with climate change and emerging technologies (e.g. AI, Robotics, electric cars), we need strong leadership in the Engineering Community in Ontario to strengthen our economy.

Ontario Licensed P.Eng. Engineers are needed to build our industry and economy through "Nation Building" projects. The Canadian federal and Ontario provincial governments can utilize the support and collaboration with our Engineering profession. To achieve this, we need strong leadership at PEO.

- We need an enhanced public awareness of the contributions and Value of Engineers in Ontario. The value of engineering work should be increased.
- **Equity, Diversity & Inclusivity** is very important for our profession.

ABOUT:

Dr. Faizul Mohee brings 21+ years of leadership, strategic management, engineering and project management experience.

Currently, he works in the **Nuclear/SMR** industry.

Earlier, he worked in **Transit/Transportation**, EV charging, **Power Transmission lines**, **Mining**, and Buildings/Housing industries. He worked in Crown corporations (e.g. OPG) and Consulting Engineering (e.g. [Hatch](#), [WSP](#), [AECOM](#)).

Previously, he taught engineering at [TMU](#), [University of Toronto](#), [York](#), and [Royal Military College](#).

He completed his PhD at the **University of Waterloo**, and Masters at the **University of Toronto**.

He was awarded the Queen Elizabeth II Platinum Jubilee Medal (2023), and the OSPE President's Young Professional Award (2014).
