

Vote for Haris Ahmadzai – A Fresh Voice for the Western Region

My name is Haris Ahmadzai, and I am seeking your support for the PEO Western Region Councillor position. After more than a decade as a dedicated PEO volunteer, I believe it is time to bring a fresh perspective, stronger advocacy, and renewed engagement to our region.

As Past Chair of the Chatham-Kent Chapter, I have worked to strengthen our engineering community by organizing technical tours, lunch-and-learns, and launching Ontario's first GLP Program in Chatham. These experiences taught me the importance of collaboration, active listening, and acting with integrity to support both our members and the public.

Professionally, I serve as Manager of Energy Conservation at Enbridge Gas, leading conservation initiatives across Ontario. Over my 17 years with Enbridge, I have overseen major energy-efficiency projects, mentored young engineers, and helped drive innovation across our teams. I also sit on the Energy Solutions Center Executive Board, representing Enbridge Gas on matters related to emerging energy-efficiency technologies.

My vision for the Western Region includes:

- Strengthening member engagement and amplifying engineers' voices, including revitalizing a comprehensive EIT program.
- Building stronger collaboration between chapters.
- Championing professional development and maintaining public trust.
- Supporting PEO's evolution as a modern, accountable, and ethical regulator.

We are at an important moment for PEO as the organization evolves. If elected, I will provide regular updates, advocate for your interests, and ensure your voice is represented at Council.

Voting Details:

- Opens: January 26, 2025
- Closes: February 23, 2025

Please look for your voting package from vote@simplyvoting.com and take part in this important process.

If you would like to connect, I welcome your questions:
