

Lin (Victor) Lan, M. Eng., P. Eng., FEC, LEED AP
Candidate for PEO East Central Reginal Councillor

- More than 40 years of experience in consulting, construction and development
- Volunteering in PEO for over 16 years
- A former Chair of PEO Scarborough Chapter. Served all positions of the board.
- An active participant in various chapter committees: government liaison program, licensing assistance program, 30 by 30, annual Barbeque and hiking, executive search, seminars, licensing presentation ceremony and various outreach programs
- Delegate and attendee at various PEO leadership conferences, regional congresses, and annual general meetings
- Member of OSPE (Ontario Society of Professional Engineers)
- LEED AP (Leadership in Energy and Environmental Design Accredited Professional) certified by the Canada Green Building Council
- Executive Committee Member of the Southern Ontario Chapter of the Society of Fire Protection Engineers (SFPE)
- A Fellow of Engineers Canada (FEC)

What Victor Will Do as East Central Reginal Councillor

- Act in the best interests of the profession
- Enhance PEO's mandate to serve and protect the interest of the public
- Raise your concerns on council
- Support chapter activities
- Monitor the new license application process
- Monitor the PEAK, PEO's continuing professional development program

Over these past few years, I have had the wonderful opportunities to work with PEO members, head office, PEO Council, elected officials in the provincial government, as well as the public. I hope I can count on your support and bring my experience and know-how to the council.
