ORDER OF HONOUR

ONLINE NOMINATIONS QUESTIONNAIRE

THIS IS NOT AN OFFICIAL NOMINATION FORM

This document allows you to prepare your nomination in advance. You must submit your nomination through PEO's online portal between June and October. The nomination deadline is the second Friday of October at 4 p.m.

NOMINEE NAME: _____

INSTRUCTIONS

In the boxes below, provide examples of how your nominee demonstrates conspicuous and outstanding service to the engineering profession, including details such as programs involved, notable achievements, recognitions from local engineers and the role they played in educating new engineers. If this is an upgrade nomination, highlight the substantive contributions and impact made by the nominee following the original induction into the Order of Honour. **There is a 7500 character limit for all boxes.**

For details on criteria and process, check the [Order of Honour Nomination and Selection Guidelines](#).

RATIONALE, ACCOMPLISHMENTS & IMPACT

Why should your nominee be recognized through the induction into PEO's Order of Honour? How does your nominee represent the Principles of the Order?

A. LENGTH OF PEO VOLUNTEER SERVICE

How many calendar years of PEO volunteer service does your nominee have? _____

B. OVERALL IMPACT OF SERVICE IN THE ENGINEERING PROFESSION

CHAPTER SERVICE

Explain your nominee’s specific contributions to their chapter and how these have significantly impacted its operations or success. Which chapter(s) did your nominee support as a PEO volunteer? How has your nominee’s leadership directly influenced the chapter’s culture and success? Please describe examples where the nominee’s chapter involvement extends above and beyond what is expected of their executive position in the chapter. What was your nominee’s biggest contribution or achievement during their time on the chapter executive? Why did they focus on that area?

COMMITTEE & TASK FORCE SERVICE

Explain your nominee's main contributions to the committee(s) and/or task force(s) they belong to. How have your nominee's contributions directly aligned with and supported the committee's or task force's overall goals and objectives? Provide details of the nominee's effectiveness in committee work and any initiatives they have brought to improve the effectiveness of the committee.

COUNCIL SERVICE

Provide examples of your nominee's conspicuous or outstanding service as a Council member. In what ways have your nominee's contributions to PEO Council impacted the engineering profession? How has your nominee served the profession across the province? Did your nominee attend events in each chapter? How has your nominee fostered unity among all engineers or communication between PEO and external organizations?

REPRESENTING PEO-EXTERNAL BOARDS SERVICE

Provide details of your nominee’s participation on external boards related to the engineering profession. In their role, how has your nominee effectively contributed to the objectives of these external boards or committees while ensuring the interests and values of PEO were upheld and advocated for? How has your nominee displayed professional conduct while sitting on external boards? What was your nominee’s biggest achievement?

[Empty response area]

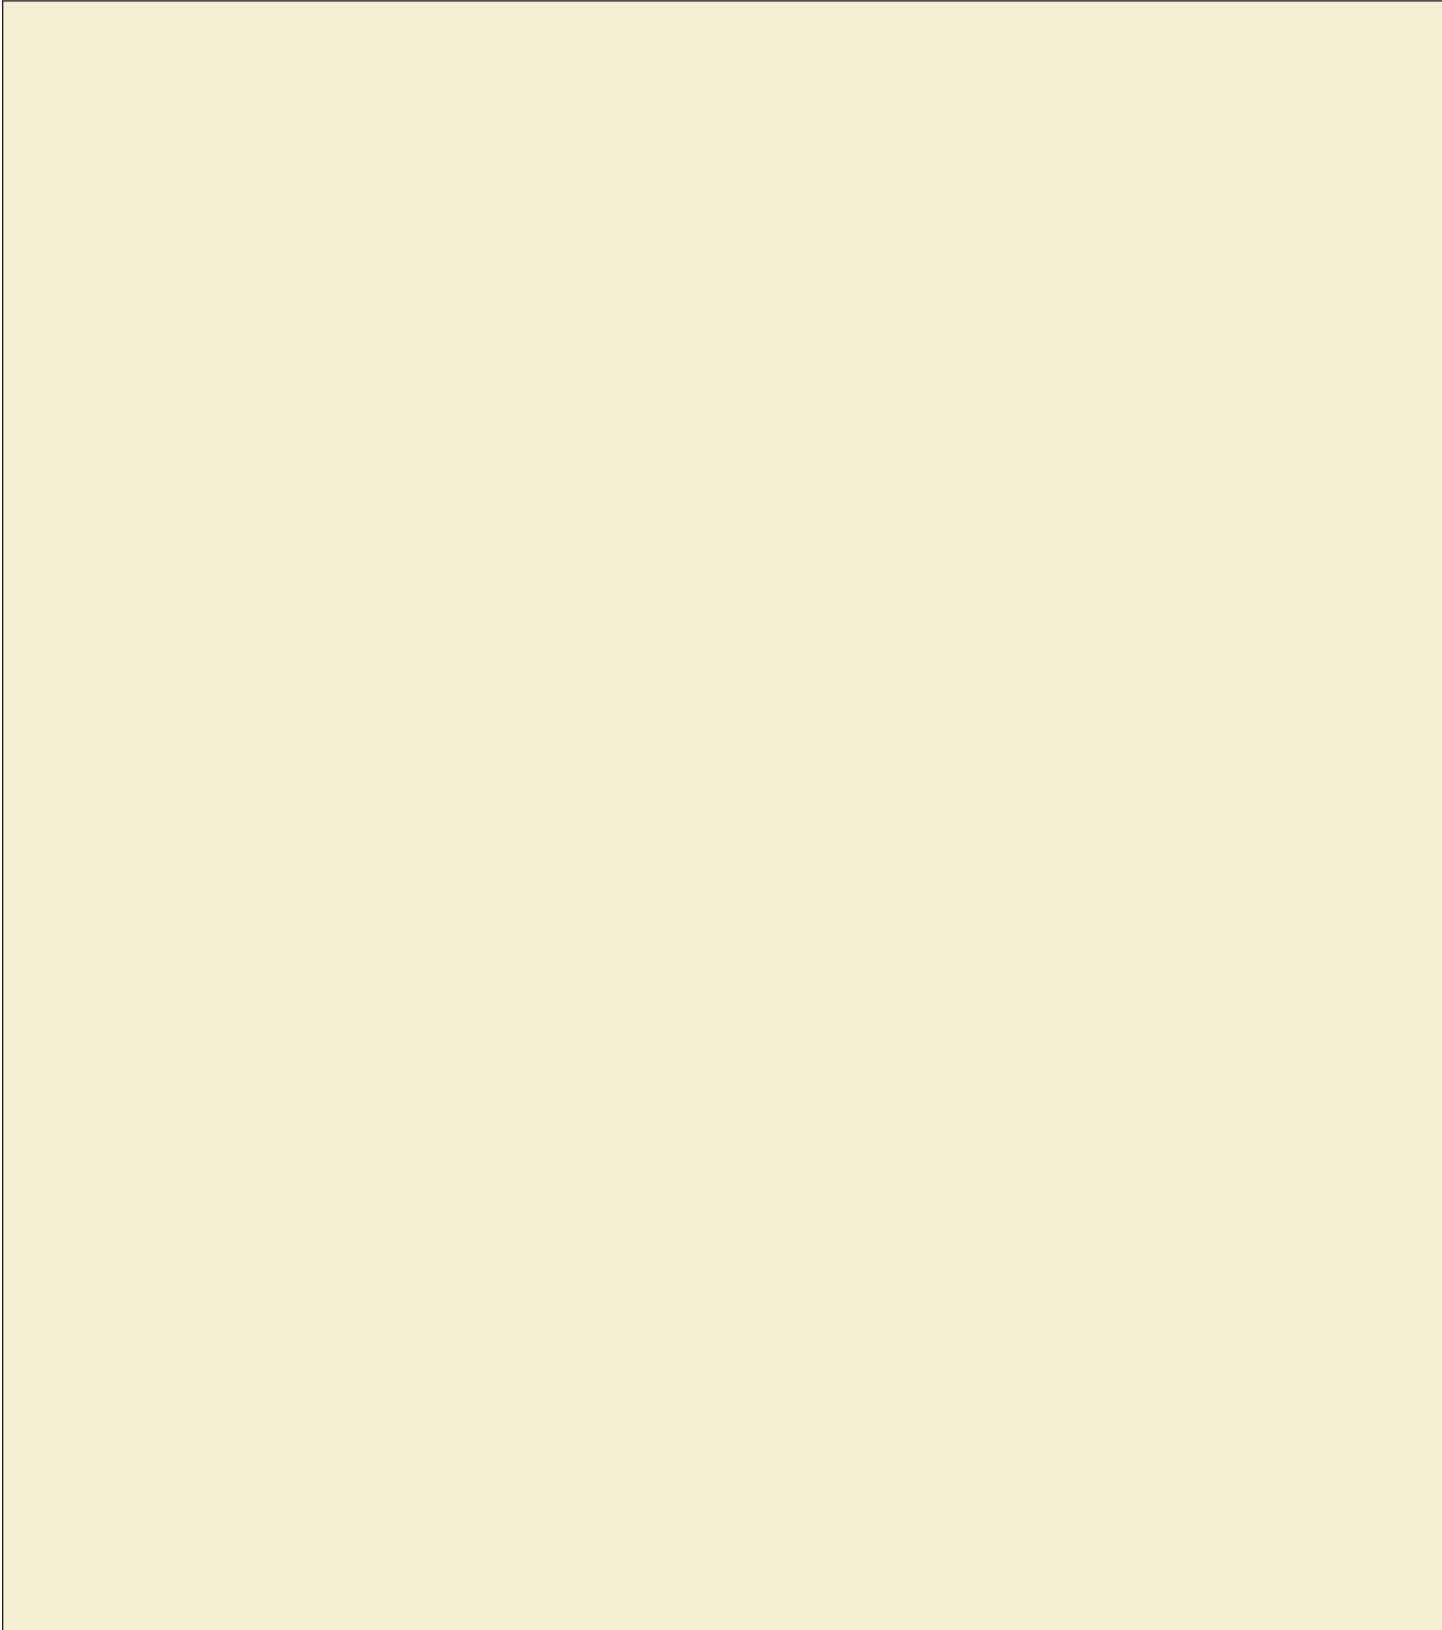

NON-PEO SERVICE

Describe your nominee's involvement in non-PEO activities related to the engineering profession and how these activities have contributed to the advancement of the profession or community. These may include leadership roles in technical societies, providing an engineering perspective in community organizations (e.g. hospital boards, charities), mentoring or teaching young engineers, etc. What event or organization did your nominee contribute to the most? Why did they focus on that area?

C. INVOLVEMENT IN JUSTICE, EQUITY, DIVERSITY, AND INCLUSION (JEDI) ACTIVITIES RELATED TO THE ENGINEERING PROFESSION AND SOCIETAL IMPACT

JEDI ACTIVITIES AND SOCIETAL IMPACT: LOCAL

What makes your nominee a JEDI (Justice, Equity, Diversity, and Inclusion) advocate? Describe your nominee's involvement in JEDI activities related to the engineering profession, specifically within local PEO initiatives. How do you believe these efforts have contributed to the advancement of JEDI principles within the engineering profession? What contributions related to societal impact did your nominee make? What was the impact?

JEDI ACTIVITIES AND SOCIETAL IMPACT: PROVINCIAL & NATIONAL

Describe your nominee's involvement in JEDI activities at the provincial or national level within the engineering profession, as related to service to PEO. How have these efforts advanced JEDI principles within the engineering community and had a measurable impact on the profession or society at large?
