

Hallam Observatory Tour!

Tour Details:

Operated by The Royal Astronomical Society of Canada

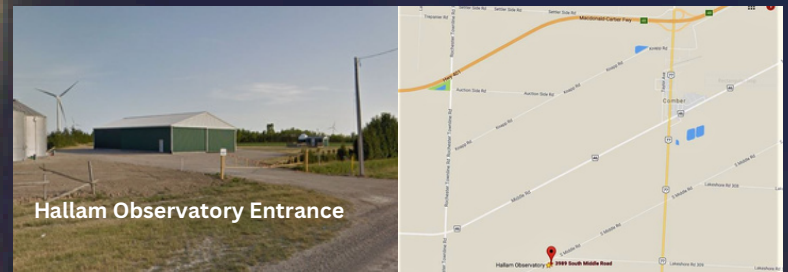

- View the universe and distant stars through a 14" diameter telescope at the Hallam Observatory. Learn about other planets, nebulae, globular clusters and more!
- Tour will begin shortly after civil twilight ends (9:32pm). Please arrive between 9:00 and 9:20pm).
- Please Park against the side of the barn that faces the observatory with **HEADLIGHTS FACING THE BARN**, so they don't shine towards the Observatory.
- No parking on the grass please, reserved only for observatory members setting up their telescopes.
- Nights can be cool, so dress accordingly with a light jacket or sweater. Also bring mosquito repellent since some activities will be outside of the telescope dome.
- Subsidized attendance fee is only \$5.25 (plus Eventbrite admin fee of \$1.66). Register at the link below
- Attendance is limited to the first 20 registrants.
- The Telescope dome is not heated. Some of the activities will be outside as well.
- Any questions, please contact Sean McCann, P.Eng. (519-890-7377; spmccann13@hotmail.com)

Book the Date

July 24th, 2026

Time: From 9:30 pm to midnight

Directions from Windsor:

- Head East on highway #401 for about 25 min. Exit Highway 77 south to Comber/ Leamington.
- You will see a flashing stop sign in Comber.
- This is #46 Middle Rd. Don't turn here, continue straight for one mile to the next intersection at South Middle Rd. and turn right.
- Observatory is 2 km down on the left side.
- Look for RASC sign at their driveway
